

In advance of the 2014 European Elections for the first time the so called lead candidate model was established. Jean-Claude Juncker, lead candidate of the strongest European political group, was elected President of the European Commission.

What is your opinion? Are you in favour of the model of lead candidates or are you against it?

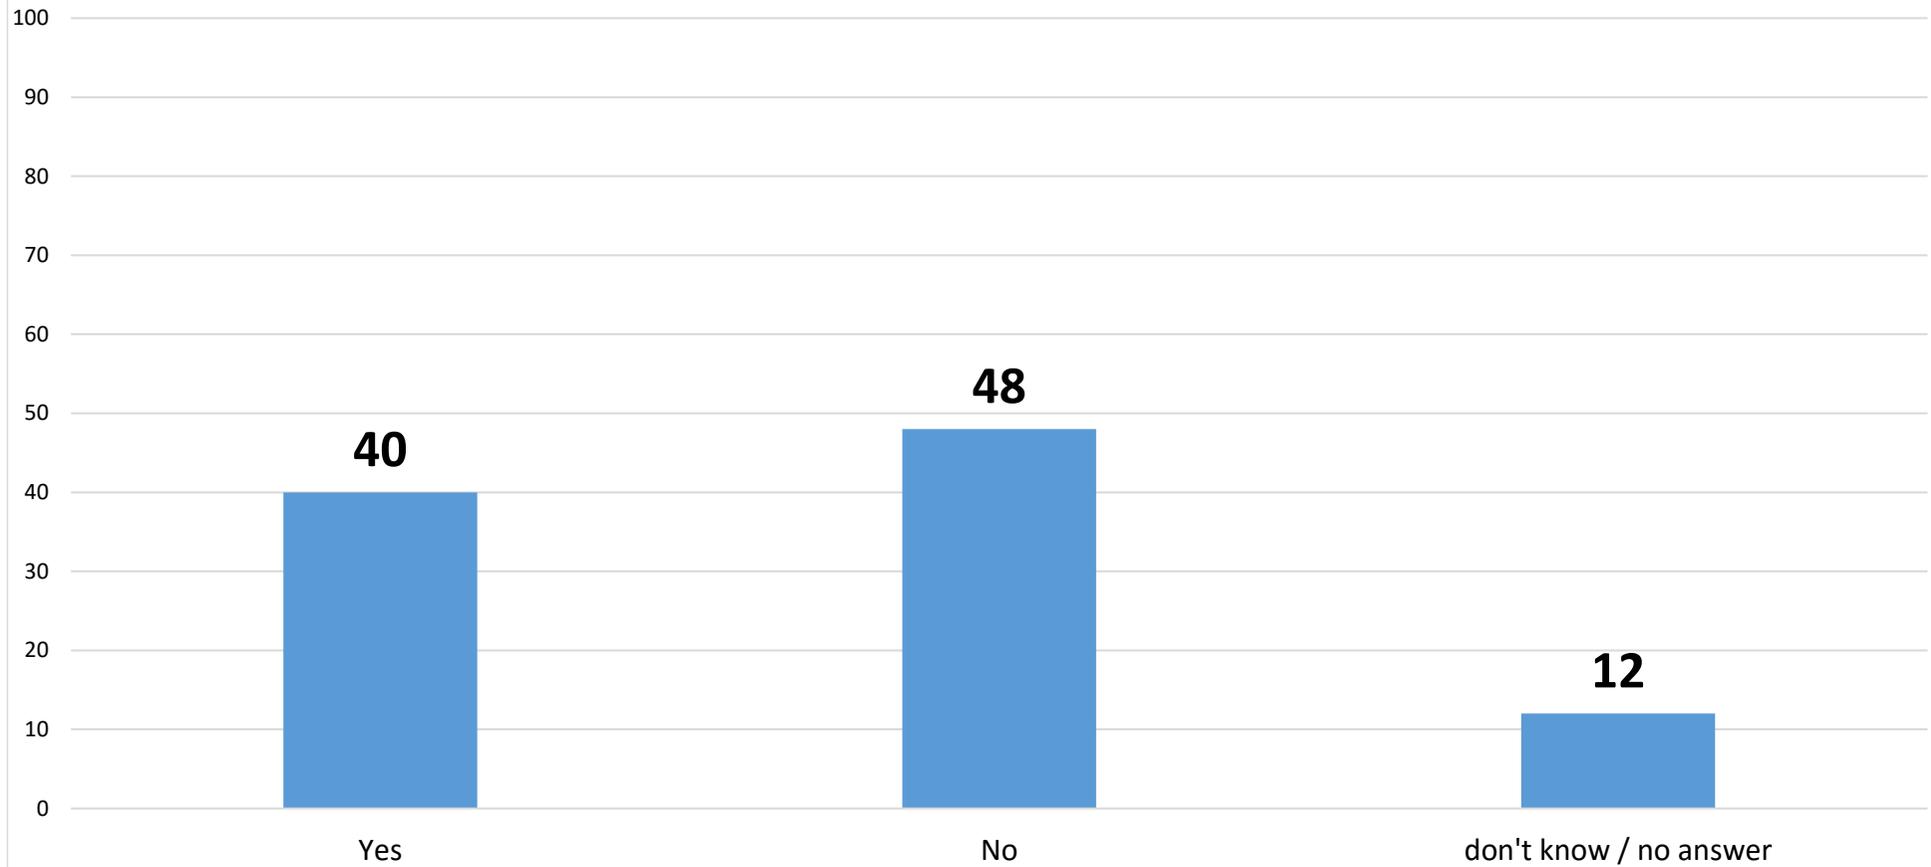

Tel SWS 272, 1.- 8. March 2018, N=538.
Max. fluctuation: +/- 4,2 percent.

Currently the European Commission is constituted by 28 members. Each member state has one commissioner.
What do you think? Should the size of the EU Commission stay as it is or should it be reduced?

Tel SWS 272, 1.- 8. March 2018, N=538.
Max. fluctuation: +/- 4,2 percent.

**The president of the European Council (currently Donald Tusk) and the president of the European Commission (currently Jean-Claude Juncker) are at the head of the European Union.
What do you think? Should these two positions remain separate or should they be merged to a new EU president?**

Tel SWS 272, 1.- 8. March 2018, N=538.
Max. fluctuation: +/- 4,2 percent.
